

# Investing for Success

Under this agreement for 2022  
Banana State School will receive

**\$13,844**

## This funding will be used to

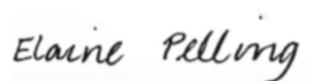

Student-focused Improvement Objective	Long-term Measures
Expert Teaching Team	Provide opportunities for all staff members to be involved in regular and systematic observation and feedback aligned with the school's pedagogical model
Know Our Learners	Providing consistent, quality feedback that helps to build student success and result in the progression of 100% of students on the Literacy Continuum

## Our initiatives include

Improvement Initiatives	Evidence-base
Using teaching practices that emphasise explicit instruction, practice and feedback	<i>Teaching is fundamental to the experience of children and students through each stage of their learning; improving teaching has been identified in the research as being key to lifting performance.</i> State Schools Improvement Strategy 2021-2025
Supporting colleagues to develop effective instructional skills to teach <b>all</b> students in every classroom – NCCD and Indigenous students	<i>Every member of the school community, including teachers, support staff, volunteers, families and students, works collaboratively to ensure students can access and participate in all aspects of school life. Curriculum is provided to all students in ways that are age appropriate and responsive to diverse learning needs.</i> Qld Government Inclusive Education Policy 2021

## Our school will improve student outcomes by

Actions	Expected costs
Investment in extra teacher support	\$10000
Investment in extra teacher-aide support	\$3844
